

APPLICATION TO KEEP A TENDER ON LDBC PREMISES

Available space on LDBC premises for the storage of tenders is limited and strictly controlled. Spaces in designated storage areas will be issued annually to existing storage users who confirm they want to continue and then to new applicants in the order completed application forms are received.

No tender or small boat shall be stored on club premises without the consent of the committee and never without payment for and display of an LDBC identification tag.

By purchasing an ID tag for a specific craft you accept the conditions for use of the Lake District Boat Club jetties in full and agree to comply with those conditions. The conditions are displayed in the clubhouse. Payment is for 1 tag for use only on the craft detailed below and for the period shown.

If the owner of a craft not displaying a tag cannot be identified it may be removed from LDBC property or otherwise disposed of by the committee.

MEMBER DETAILS Please complete all details fully. Failure to do so may delay your application. Print clearly and tick selection boxes where required.
