

Dear Members

The annual **Bowness Bay Blues festival** is only 4 weeks away and once again the Club is proud to be hosting 5 bands over the weekend.

This event is an important one for the club as it is an important source of income for us and for the Rotary Club to whom we give a donation each year.

In order to put on this event we need volunteers to work behind the bar, collect glasses, cook and serve food on all three days. The busiest day is always the Friday and it's also the most difficult to staff being a working day for many so I am particularly looking for as many people as possible to help out on the Friday.

Please can I ask you consider volunteering even if it just for one session. It's a great event and really good fun. I have listed the timetable below so please can you email me when you can help and what task you would like to help with. Thanking you all in advance.
