

Why Join the Lake District Boat Club in 2020?

AS WE UNDERTAKE SOME DRAMATIC CHANGES AT THE BOAT CLUB THIS YEAR, I AM EXCITED, (AS THE BOAT CLUB COMMODORE) TO SHARE WHAT WE HAVE IN STORE FOR OUR MEMBERS FOR THE NEW SEASON.

Bar – The bar will be staffed (for members) from Friday 12pm until late, Saturday 12pm until late, Sunday 12pm until 5pm with addition days and hours during some holidays

Food – Our regular caterer (Kathy Bailey) will be running a café from the club premises, providing delicious food from 9am until 5pm on Fridays, Saturdays and Sundays. She will also be catering for many of our evening events.

Café - The café will be open to the public until 5pm after which the club reverts to members only, there will be concessions for members at the café

Members areas – Members will retain exclusive areas (not shared with the public) in and outside the club

Events – There will be a busy events calendar ensuring that there will be some fantastic nights at the boat club including live music, parties and formal evenings

Jetties – For the boat owners there will be new, longer, higher, jetties with grip-sure decking, shore power electric and water hoses

Outside Area – We have submitted plans to have a new raised mezzanine above our patio area which will monopolise on the fantastic views of the lake and mountains that the boat club already offers. We should see the work on this starting in the early summer

Other facilities - The boat club toilet and shower areas have been redecorated to make them more welcoming

Open Day – If you are not yet a member, why not come to our open day on the 18th April from 12pm to 5pm. You will be welcomed with a free drink and anyone joining for the first time on the 18th April will receive will also get a free midweek yacht sailing experience for 2 worth £100 from Lakeland Adventures

Newsletter – All club members will receive regular newsletters to keep them updated activities, plans and events

I am looking forward to welcoming all existing and new members to the club when the season gets underway in April.
